

Who can study at SFI (Swedish for immigrants)?

SFI is for you who live in Mölndal. You can also apply for SFI if you live in another municipality than Mölndal, but then your municipality needs to accept your application.

How do I apply?

You apply through Vägledning & Kompetens at Göteborgsvägen 97. Our opening hours are Monday–Thursday between 10–12 and 13–15. If you can't visit us during ordinary hours, please phone Vägledning & Kompetens on 031-315 10 14 so we can book an appointment.
