

# STALLBACKEN PRE-SCHOOL

# MÖLNDAL VISION 2022

Mölndal is the sustainable city where everyone is given a chance. We strengthen western Sweden with courage and creativity.

- A brave city with a unique history
- Mölndal gives a boost to western Sweden
- A sustainable city where we grow and prosper

# Curriculum Lpfö 2016

Bästa möjliga  
Mölnadal.  
Varje dag.

# ORIENTATION

We base our activities on 3 pillars:

- Music
- Human rights
- ICT

# Musical orientation

- Cooperation with Kulturskolan, (Andrine Bendixen Mangs, director of Kulturskolan)
- We purchase services from Kulturskolan
- Progress for children: infants' rhythmic, singing, instrumental music
- The entire pre-school sings
- Inauguration

# Human rights

- Mölndal City is taking part in a project called FRAMM. This will become an integral part of all our activities.
- We will work in close cooperation with EMERGA, the first unit to work in this way.
- Further training for educators.
- This work will lay the foundations for the "Plan against discrimination and offensive behaviour"

# ICT: Information and Communication Technology

Cooperation with the support and development unit

What is included from start-up:

- I pads for all educators
- I pads for child-educational programmes
- Projectors in ceilings in the piazza and conference room
- Projectors for the departments
- Computers
- Iphones for the departments

# ICT in the future?

- Green screen
- Documentation cameras
- Programming
- No limits...

Bästa möjliga  
Mölndal.  
Varje dag.

# Influence and participation

For children, educators and guardians:

- Clear influence and participation for all
- Clear processes in the work
- The possibility of real influence in all situations
- Child council
- User council

# Timetable

11 September: Premises in our possession

12 September: Delivery of furniture

26 September. Children, educators and guardians  
are welcome to our new premises

# Temporary premises
