

SWEDISH FOR IMMIGRANTS - SFI

What is SFI?

SFI is a basic course in Swedish. You can study SFI if you are an adult and Swedish is not your mother tongue.

You learn to speak, read, write and understand Swedish. You receive training in how to use Swedish in day-to-day life, at work and in the community.

If you study SFI on the Mölndal Campus, you will have 15 hours of timetabled lessons each week. You can also study in the evening.

The programme is free of charge.

After successfully completing the course, you will receive a certificate.
